GPRRA Thanksgiving Match Update 11/7/2017

Dear Great Pyrenees Friends,

As our Thanksgiving campaign to raise \$37,500 continues, which will be 100% matched, we will share a few stories about some of the incredible people and resilient PYRS that have come through our rescue this year. Today's story is about Malia and her surprise package. Please help us reach our goal of providing for the rescue of 50 PYRS. Click [here](#) to donate. Thank you.

Malia and her Puppies

Many of you will recall the horrific PYR hoarding case in Florida this year where 80+ totally neglected feral PYRS were discovered after their ill owner died. GPRRA rescued a number of those PYRS including Memphis, McKinley and two sisters that all have required months of socialization.

Sherry and Mike, who have fostered over 60 PYRS for GPRRA on their farm since our inception, immediately stepped up for the two sisters. Little did we know at the time, bliss would follow this tragic situation, as one of the sisters, Malia, was pregnant. They landed in the perfect place with the perfect foster. Sherry, is a nurse! Mike built the birthing room and seven beautiful puppies were delivered with Sherry bottle feeding #7 every 4 hours to save her life. The selfless generosity of saving a PYR in need resulted in seven ecstatic families taking home their newest family member.
