spreading the word about the Southeast's best kept secret.

## GPRA Update - 1/4/2018

Dear Great Pyrenees Friends,

GPRA is ringing in the new year with Arriane's 10 beautiful puppies. Seven girls and three boys will be ready to go on Feb. 17th.

Save the date!!! March 25, 2018 is Gentle Giants in the Park. More to follow but this will be our biggest ever!!!

Milton is one of the top success stories of 2017 and is now in his fabulous forever home.

Thank you again to all that made our Thanksgiving Match such an enormous success. Your generosity helps allow GPRA to continue to take the most neglected and medically challenged PYRS throughout the southeast.

In the next week or two, we will surpass 1,300 rescues since our inception in 2010. We have learned that Great Pyrenees are an incredibly resilient breed that just may be the ultimate family pet.

We look forward to another exciting year rescuing Gentle Giants.
