GPRRA Update 12/13/2019

Dear Great Pyrenees Friends,

First, we cannot thank our loyal GPRRA base enough for the overwhelming response we experienced throughout our Thanksgiving Match period. We had a \$40,000 match challenge, hoping to raise \$80,000 total. The final total raised was \$105,875!!! These funds allow us to

immediately take in emergency PYRS like Freya, a 2 year old female in Royston Ga. that we are taking in today. Horrifically, Freya was shot in the head by an arrow. It appears she will lose sight in one eye and will probably lose hearing in one ear but she is a fighter and will survive this. We will also be taking in 5 month old puppy Millie in Woodstock Ga., who we believe was shot. Again, she will recover and get the full nurturing GPRRA treatment. It is truly remarkable to observe our group mobilize when we have emergencies.

Second, please view the video Anya created from the children's parade last weekend in Atlanta. Almost 100 well behaved Gentle Giants were the hit of the day.

Third, we now enter GPRRA's 10th year and we plan to make 2020 a yearlong celebration. Little did we know when we rescued our first PYR Sam in 2010, that we would be hitting rescue 1,700 ten years later. Maybe the greatest revelation we've learned through this PYR rescue process is we've discovered often, we are not only rescuing Gentle Giants, but are also rescuing the humans that adopted our PYRS.

Lastly, we wish all a spectacular holiday season and we look forward to a productive and, hopefully, not quite so active next year in our PYR world.

Thank you,
John
GPRRA President and Founder
