spreading the word about the Southeast's best kept secret.

GPR Update 4/12/2019

Dear Great Pyrenees Friends,

It's time to [register](#) for Gentle Giants in the Park and [purchase your raffle tickets](#)!!! We'll see you in two weeks and, with your support, hope to break our world record of the most Great Pyrenees together at one time.

We are about to hit our 1,600th rescue and we have 30 mostly exceptional PYRS available for their forever families. We also are rescuing at a record pace with many in line waiting for fosters or adopters.

Most of the 8 PYRS we rescued from the south Georgia hoarding case have already been adopted out and we are about to post 10 PYR mix puppies one of our PYR rescues birthed seven weeks ago today.

Please join us at Gentle Giants in the Park as we will have our trainers attending, the food and music will be great, somebody will win \$5,000 and you can be part of Gentle Giant history. If you have any questions and/or would like to volunteer please contact us at GentleGiants2019@greatpyratlanta.com. We still need some help at the registration and merchandise tables as well as set up and clean up.

Our annual Silent Auction will also take place at this event and our online site is expected to go live this Sunday. We have some great items this year and all bidding will be online. A notice with the link will be sent when available.

Thank you,
John
GPR President and Founder
