GPRA Update 4/5/2019 - Lucy

Dear Great Pyrenees Friends,

Meet Lucy. Lucy is a 1 year old spayed female PYR that weighs 75 LBS., is great with kids and is extremely gentle. Her south Georgia owners cannot afford the \$3,500 surgery she requires on her left shoulder and are not prepared for the 4-6 week rehabilitation after surgery she will need. We will be rescuing Lucy and she is already on Dr. Corse's surgery schedule.

Please let us know if you would be interested in fostering Lucy and please commit to purchasing \$200 in raffle tickets. The success of this raffle is critical to helping us continue to rescue these deserving PYRS and pay for surgeries like Lucy's. Plus you could be the \$5,000 winner. [Purchase raffle tickets here.](#)

We are already approaching 100 PYRS attending Gentle Giants in the Park on Saturday April 27 so please [register now.](#)

Our annual Silent Auction will take place at this event with our online site going live very soon. More information to follow. Also, if you have any questions and/or would like to volunteer to help before, at or after the event please contact us at GentleGiants2019@greatpyratlanta.com

Thank you,
John
