## GPRA Update - June 11, 2017 - 1,200 Rescues

Dear Great Pyrenees Friends,

We welcome Regis to GPRA as rescue number 1,200!!!

We continue to save the Gentle Giants most in need. Our fosters and volunteers have been remarkable but our biggest need and where we are desperate for your assistance, is our requirement for more foster families. We are full in boarding and will have to refuse PYRS like Regis that are in shelters unless we can garner additional fosters. A number of our board members are now fostering our PYRS so we can make room for the new incoming dogs.

Heather will make fostering painless with a PYR that can easily fit into your family, even if you can only foster short term. Please [contact us](#) if you can consider and we will answer your questions. All these PYRS need is love.

Thank you,  
John Heldrich
