

The Pyrenees Post...

spreading the word about the Southeast's best kept secret.

GPRRA Update - July 12, 2021

Dear Great Pyrenees Friends,

PYRS in need continue to pour in while our adoption applications have slowed. Our volunteers have been extraordinary in accommodating the volume, with many requiring special attention. Sully is but one example. We were alerted that Sully was in a Georgia shelter needing immediate attention. It turns out Sully has torn ACLs in both legs, is heartworm positive and is unaltered. We already have a wonderful family that has adopted him but he will be a \$10,000 PYR for GPRRA. Due to Covid, we have canceled our last two Gentle Giants in the Park and the coinciding raffles. After the Thanksgiving Match, the raffle is our other fundraising event. We have not asked our base, other than the Thanksgiving Match, for donations and we would appreciate donations for Sully's surgeries as we have had numerous orthopedic surgeries this year already for our Gentle Giants.

We also have the sweetest bonded pair of 5 years old PYRS ever with Lilo and Loki. Loki is heartworm positive and Lilo is deaf and the brother and sister are inseparable and make us all smile. We need a foster or adopter for this easy pair once we finish the medical testing we are doing on Lilo.

As always, our fosters are like gold and we have a record number in boarding so please help if you can.

Thank you.

John
