

Dear Great Pyrenees Friends,

The amount of Gentle Giants needing rescue is heartbreaking. All shelters and rescues are full. We try to take the PYRS in shelters first as they are at risk of being put to sleep. We desperately **need both fosters and adopters** and we have some GREAT dogs. We have already surpassed 120 rescues this year but are forced to turn away many in real need. Our dog walkers do a remarkable job but many have been in boarding way too long.

Please consider fostering, even if only for a short duration. Shawna will match you with the right PYR for your family. Thank you for your continued involvement and compassion.
