GPRRA Thanksgiving Match December 10, 2024

Dear Great Pyrenees Friends,

Your generosity has overwhelmed us. Not only was our \$60,000 match met, but we exceeded the \$120,000 by another \$44,000 for a total of \$164,000! **This will rescue 75 Gentle Giants!**

But it gets better. We just found out one of our adopters put us up for consideration for a Healthy Paws' year end donation to a worthy nonprofit. We await confirmation and expect to be awarded \$25,000 in the near future. This the most successful Thanksgiving Match in our history! THANK YOU!!

We recognize the challenging environment which makes this record breaking total all the more special and gratifying. We cannot thank you enough, and rest assured that we will be good stewards to make certain these funds go directly to supporting the medical and other costs of those PYRS that need it the most.

We wish all a great holiday and hope fostering a Gentle Giant is at the top of your New Year's resolution list.

John,
GPRRA President and Founder

Here is but one example of where our funds go. We were contacted about a 5 1/2 week old puppy this weekend named Spots that has parvo. We immediately took him and rushed him to emergency care for the next number of days. We will spend approximately \$8,000, but he will survive and live a normal PYR life. If we did not take him, he would never have made it through the weekend.

**We have reached and
surpassed our original goal of**

\$120,000, raising a total of
\$164,000 to rescue 75 PYRS!

Thank you for your generosity,
going above and beyond for
these GENTLE GIANTS!
