## GPRA Update June 2025

Dear Great Pyrenees Friends,

I hope you all are enjoying the summertime, and staying cool along with your PYRs and other companions. GPRA is having our share of good and bad news, so I thought I would share with you.

The good news is Debbie and her team have been getting great adoptions, and Shawna and our fosters have kept boarding to a manageable level.

The sobering news is we are getting so many requests to surrender. In the last 24 hours, we have received a dozen requests alone. The reasons for surrenders range from strays, financial problems, divorce, owner illness, and quite simply bad owners who have totally neglected their PYR. Adorable puppy Riley, with a black head, was rescued in a Walmart parking lot by an older woman who lives in a van.

Sabine is nurturing three outstanding litters, and we have a stunning big male named Atlas as just a few examples of the Gentle Giants currently available.

Thank you all for your continued support of GPRA.
