## GPRA Update May 2025

Dear Great Pyrenees Friends,

Thanks to all for another wonderful Gentle Giants in the Park. There are so many behind the scenes to thank including our board, Philip with the photos, Kim with the music, Marla with the food, Rich with the organization and the many that set up and cleaned up afterward.

Congratulations to Mary Ellen and Charles who were awarded volunteers of the year. We have a very special group of dog walkers who are devoted, loving and consistent to make sure the PYRS that need it the most, get the attention and support until they find their forever families.

The Flintstone feral puppies we rescued are doing great as all have been socialized with the help of special training. Barney has already been adopted and Wilma and Dino will not be far behind.

We rescued three 2 week old puppies from floods in Oklahoma we've named the Little Rascals. Sabine and her crew have done a remarkable job including bottle feeding them every 3-4 hours. They are now 5 weeks old and will be ready for adoption in three weeks.

Debbie and her team have had a number of good recent adoptions including Lauri's Lasso litter and we are starting to take in more older Gentle Giants again. Shawna's new fosters have really aided in our ability to rescue additional PYRS.

It's already been a big rescue year and, with your support, we will continue to work hard to save the most in need.

GPRA President and Founder
