spreading the word about the Southeast's best kept secret.

GPRA Update February 2026

Dear Great Pyrenees Friends,

We have a GIANT start to the new year.

On Feb.1, **GPRA celebrates 16 years** since we started with the rescue of one Gentle Giant! We are indebted to so many passionate and selfless volunteers along the way as we never could have successfully lasted this long without the heartfelt dedication of our entire network.

This was a milestone week for us. We welcomed Matteo, who is recovering from double ACL surgeries; Jack G., who is healing after surgery for a gunshot wound; and we took in our **3,000th rescue**, Belev. After a traumatic encounter with a bear trap, we are thrilled to share that surgeons were able to save Belev's leg.

As if those rescues weren't enough, we are also welcoming five purebred, six-week-old puppies in need of urgent nutritional care. Thanks to our successful Thanksgiving Match, we have the resources to take on several high-needs cases at once. Of course, none of this would be possible without our fabulous fosters and walkers, who provide the specialized nurturing these at-risk Pyrs require.

Please join us in celebrating Belev, our 3,000th rescue. Our entire GPRA family has stood the test of time and should be appropriately proud.

Thank you.

— John, GPRA President and Founder
